

# Chris Stevens

Discoverer of Sweet Spots and Teller of Stories

## Speakers Plus Organizational Trainer

Chris Stevens, a seasoned consultant and trainer, specializes in delivering diverse services such as threat management, HR consultation, strategic planning, and team building/leadership development to a wide variety of organizations. Chris excels as a course developer, instructor, and conference speaker in management sciences along with diverse communication applications such as problem-solving, inter-generational conflicts, customer service, and emotional de-escalation. His extensive experience includes providing crisis management, organizational leadership, and administrative training to government officials, municipal agency managers, and private industry supervisors across the United States, Canada, and Saudi Arabia.
